This stylish, contemporary villa set on a plot of more than 19,000 sq ft offers an exceptionally spacious interior with a number of quality upgrades, such as solid wood flooring, while the fine attention to detail is visible throughout. The villa has an elevator and roof terraces. With seven bedrooms, all with en suite bathrooms, plus an array of living rooms for both formal entertaining and casual relaxation, the property is perfect for large families or those with frequent visitors. There's even an outdoor dining and entertaining area complete with a majlis, bar and barbecue. The villa also boasts an elevator and roof terraces. Leisure facilities include a large pool, a gym and beautifully landscaped gardens, while the air-conditioned carport features space for several vehicles.
